

# COVID-19 UPDATE

## **EFFECTIVE MARCH 30, 2020**

Due to the stay at home directive for the state of NC and for the health and safety of our patients and office staff, Open Wide Family Dentistry is temporarily closed until further notice for nonurgent dental procedures. This is done to reduce the spread of the COVID 19 virus. We will be contacting each of you to reschedule your appointment when the office reopens to full function. If you are a patient of record and have a true dental emergency, please contact call our office at **919.598.0780** and press **1** to leave a message. We will respond as quickly as possible. Thank you for your understanding and cooperation during this time. Stay safe and well.
